

CHESS CLUB

**Come out and learn The Game of Kings
(Tuesdays at 3:15 – 3:45 K-1; 3:15-4:30 all other grades)
(Starting on October 11, 2011)**

My name is Chris Dvorak and I am returning as the Chess Coach this year.

I am looking to continue the policy from last year: each parent must commit to help supervise at least one week in the year (sign up below). Please fill out and detach the bottom portion of this flyer and return it to the school office by **Friday, Oct 7**. The maximum number of students I can accept is 24, due to the room size. However with the new website, I can have as many as I want. I would ask that if your child signs up, that they are committed to playing chess. The Chess Club website we will be using is www.chesskid.com. I would like to meet with parents on October 4 to talk about the year and review questions.

Membership this year is \$25.00, payable to Blessed Sacrament School. This fee supports club expenses, tournaments, etc. Optionally, please add \$15 if your child wants to order a Chess Club polo shirt (see below).

The emphasis in the club will be

1. Learning chess
2. Having fun
3. Learning good sportsmanship

Continuing the policy of previous years, please be aware that the demerit policy regarding BEHAVIOR is also in effect for any after school activities including Chess. The same respectful behavior a student exhibits in class during the school day carries over to after school activities as well. Please talk to your child about the policy before you sign up. Should you have any questions or need some clarification, please call the school at 703-998-4170.

Sincerely,

Christian Dvorak bsschessclub@blessedsacramentcc.org

Chess Club Membership – Return by Oct. 7

Order a shirt? (add \$15): Y/N
