

Working Together Form – 2009-2010

Thank you for all of your help at Blessed Sacrament Grade School and Early Childhood Center! Please check off everything that you are interested in helping with. Descriptions of each position can be found on the school website under the Working Together link. Please write Chair rather than a simple check if you are willing to chair!

*You will receive a separate sign up form for these events as every family must volunteer at least 4 of their hours for fundraising. Please check these now only if you are willing to chair the event or a committee.

In order to keep service hours fun and productive, we have made some changes this year and will continue to do so. First, all parents are responsible for the below hours or dollars paid. If you submit a form to provide service hours, you are responsible for logging all hours worked

into the Working Together Log in the front office (this is the ONLY way you will get credit for your hours).

Hours:

16 Service Hours or \$200 paid (\$100 for single parent)

4 Fund Raising Hours or \$100 paid (\$50 for single parent)

As most of you know, the annual auction is a huge fund-raiser for our school and involves so many families. Can you please help us improve this event by answering the below two questions:

Did you attend the Auction this year? If yes, please say what you liked. If no, please say why you did not attend.

Will you attend the Auction next year? Please note any suggestions you have for us.
