

Blessed Sacrament Volunteer Opportunities 2011-2012

We ask that all BSS families participate in the **Working Together Volunteer Program**. Each family decides how to best fulfill their volunteer time, (15 hrs/family (8 hrs single parent families). Volunteer hours may be fulfilled in many different ways! Some families choose to automatically fulfill their volunteer hours through service as a committee Chairperson, Coach or Room Parent role. Review the list below and check off what would be of interest to you. The PTO Volunteer Coordinators will be in touch with you once we have reviewed. Also please look in the weekly newsletter for volunteer opportunities as well!
